Our Core Values

Our Core values are an important part of Narrabri Public School. Our emphasis on promoting our core values makes sure that we are working together to make a safe and caring school environment for students, staff and parents.

Each week at our Monday Assembly the school celebrates students who are contributing to our core values. The teachers readily identify students who are showing RESPECT, RESPONSIBILITY, RESILIENCE, ACHIEVEMENT and INCLUSION.

This week I would like to share with you two students who have been showing responsibility. Every day they have the task of feeding and making sure the chooks are looked after. They collect the eggs and take them to the canteen and collect the recycled scraps for the chooks. They are doing a great job.
Narrabri Public School has been offered an exciting opportunity to utilise a teacher/mentor position within K-6 classrooms. This teacher will assist in the development of teaching strategies, program development, assessment, data collection and the implementation of Targeting Early Numeracy (TEN) strategies. I am pleased to inform you that Mrs Irvine has taken on this role.

We are fortunate to have Miss Ellen John who worked with KI for all of Term 3 accept the position as classroom teacher on KI for the remainder of the year. Miss John is thrilled to be working with the same students and families again this term.

Oh my goodness…. What a great surprise I had the other day when I discovered a bag with my name on it. I knew straight away that the School Fete preparation had started. I am going to keep my desk organised and make room for all the bottles that come in.

The School Fete takes place on Saturday, 24th October. There is a lot of hard work that goes on behind the scenes to make this day and exciting and memorable event. It is through the generosity of our parents and school community that we come together to raise funds for our school.

The next two weeks will be a busy time. If you are able to help out or make donations, please contact your child’s teacher. Every contribution is appreciated.

Shakespeare’s Macbeth

Last Wednesday, Years 4-6 were entertained by touring actors from Bell Shakespeare. They presented a brilliant performance of a play adapted from Andy Griffiths book ‘Just Macbeth’. The play was fast paced and hilarious, involving students and teachers alike (Miss Wardle got right into the theme of things, throwing out one of the actors to the cheers of the audience!)

It allowed students to appreciate the classic tale of Shakespeare’s Macbeth, aimed at a younger audience, with all the usual cheeky fun kids have come to love in an Andy Griffiths story. The actors generously took some time at the end of the performance to answer student’s questions and had some really great advice for our budding stars!

Bell Shakespeare is an organisation that is funded to be able to bring theatre performance to Primary and High Schools around Australia for free. We would like to give a big thank you to all their supporters for allowing our students the opportunity to see such an amazing performance in our own school. We hope to see them again soon.

Thank you to Tarnia North and Kara Taylor for their huge efforts, collecting, sticking and collating our Earn & Learn Stickers. Our school receives fabulous resources from Woolworths by participating. We accumulated over 125,000 points so as you can imagine these two ladies were kept very busy!! Thanks again Kara and Tarnia.

CANTEEN NEWS
We are REALLY in need of some volunteers this term. The roster is looking very empty.

Anyone with any time is always welcome. Thursdays and Fridays are usually the busiest but Nikki and I will welcome anyone on any day.
There are 3 lasagnes left and when they are gone there will be no more pastas.
We have had requests for Sushi & Rice Paper Rolls. As they are fiddly to make we are going to try them but on just one day per week. Check next week’s newsletter for the days.
