Excitement is brewing with our first opportunity to JUMPSTART up across our entire school for all students.

This week 2016 Kindergarten students will come and visit us and have a look around the kindergarten classrooms. They will be able to meet the Kindergarten teachers and have the experience of learning in a Kindergarten classroom. Our transition days are always busy and exciting.

Not only do our 2016 come, we also enable students enrolled in our 2015 Kindergarten to jump up and experience Year 1. They assure me they are ready for this step as they are now taller.

Each class group will move to their 2016 year group. Teachers are coordinating and planning lessons and activities to support students to take the step in readiness for the next year.

I was delighted to receive several phone calls keeping me updated on our students who have been in Sydney representing at the State Athletics Carnival.

It is an achievement in itself to qualify for the events and to undertake the training that allows each athlete to perform to their best.

The atmosphere at this venue is very different to anything the students have experienced before. They compete on a tartan track to a stadium full of cheering supporters. The experience can be daunting and exciting and for our athletes from a country school, it is an experience they remember.

The achievement of each student is to be commended with a number of personal best times and placements being achieved.

Congratulations to Georgia Stuart on achieving 2nd place in her high jump. Georgia jumped 1.30m. Sam Soper also performed a personal best time in the 800m of 2.27 and Angus Gourley ran a 2.48. In the 200m Cooper Hall ran a 31.05(personal best) and Alistair Gourley ran a 29.97. Claudia Penberthy jumped 3.33m in her long jump. Declan Rooney ran a magnificent race in the 100m with a time of 15.40. Joc Ford performed admirably with a 31st in his 100m and a 26th in his long jump event. The relay competitors, Claudia, Annalise, Amelie, Georgia, Miles, Cooper, Declan and Ashton tried hard on the day and gave their best.

CANTEEN COMMITTEE MEETING
ALL WELCOME
Tuesday, 20th October (tomorrow) at 2pm
in the canteen
If you have some cool summer menu ideas it would be great if you could bring them along.

CANTEEN NEWS
For new families in our school you might like to come to the canteen and get a copy of the Canteen Menu to help you with ordering. The only price difference is the gluten free nuggets are now $0.75c as I have sourced a cheaper variety.
Lunch orders may be placed in the tub on the counter in the mornings to save waiting in lines (especially those days when there is only one supervisor on). In an ideal world you would place the correct money in the bag and have the name, class and order written clearly on the front. As this is not always possible we either stick the change onto the outside of the order bag or place it into a clean bag and stick it to the inside of the bag. If your child needs change they need to check the bag before throwing it away.
We are trying to discourage children from giving their money (change) away. It can be a bit tricky if a younger person is approached by a big “cousin” or friend but as a parent you can remind them that you have given them money for themselves and they can save the change for another day.
There will be no more pastas’ this term. The committee is meeting tomorrow and we are discussing some more “summery” things for the menu.
