The School year seems to be flying by very quickly and this was evident when our school captains presented the new kindergarten students and parents with their thoughts on being part of Narrabri Public School. Our captains had undertaken the same journey that our new Kinders were going to embark on and now they are ready for high school. At Narrabri Public School the focus is on the learning needs of the students and delivering to them the experiences that promote growth and achievement. We look forward to the continued partnership with our families, supporting our students on their journey.
Kamilaroi Choir
The film crew were here....LIGHTS, CAMERA and ACTION. Under the guidance of Pattie Lettice our choir performed a number of songs that they sang in Kamilaroi language. Their performance was spectacular. The students were proud ambassadors of their culture and represented our school admirably. This performance has been recorded and will be on display at the Tourist Information Centre on the touchscreen.

Year 6 Yarrie Lake Day
Year 6 will participate in a combined Year 6 Yarrie Lake adventure day this Thursday. High school SRC reps and teachers have prepared a series of activities for the students to be involved in. Students from across the schools will have the chance to get to know each other. These days help prepare students for next year. Amy Johnson has been coordinating these days across all primary schools.

Sport
Our primary students have been able to choose a sport of their choice this term. This program has promoted interest in a variety of sports. Students have been involved in lawn bowls, golf, swimming, ball games, dance, gym, tennis and gymnastics. The school is fortunate to have the support of local clubs to facilitate this opportunity. Thanks to Mrs Quirk for her excellent organisation of this program.

Scarier and Scarier
The SRC students and teachers excelled themselves on Wednesday night with the Halloween Disco. The proceeds of this function are utilised to run the SRC Fun Day scheduled for later in the year. Miss Butler, Mrs Hancock and our SRC representatives have done a great job in the setting up and running of the disco. I would also like to acknowledge the contribution of DJ Tony Woodham and Frankenstein’s bride who kept everyone rocking.

Infants

PBL Mural
Friday 13th November

On Friday the 13th November, we are encouraging all infants to come to school with a gold coin donation.

With this donation, every infants’ child will be able to paint their hand and put handprint into history by making their mark on a mural.

This mural will then be mounted onto the Infants’ Toilets as part of our PBL (Positive Behaviour for Learning) system.

Children’s Science Fair at
Narrabri Library
November 14
2 - 4 pm
FREE

All ages welcome but all children must be accompanied by an adult

Canteen News

It is never too late to volunteer at the canteen. There was a new volunteer in on Tuesday last week and even though it was the Melbourne Cup Day lunch that day, she put her named down to come back in. Thank you sooo…. much for your help that day and we look forward to seeing you in again.

As the school year is winding down things in canteen may wind down too. We should be OK for all menu items for the next few weeks but some things will not be reordered as we run out.
