I was able to witness first hand on Wednesday night a spectacular performance by the very talented students in our Drama Club. Drama Club encourages students to develop their public speaking and performance skills throughout the year and culminates with a show stopping performance.

Students have obviously been busy learning their lines and also learning their character actions. You don’t always have to have a speaking part to perform. Each actor contributed greatly to the play and the performance.

Mrs Trudgeon, Mrs Young, Miss Wardle and Mrs Wallace have coordinated this group throughout the year and Drama Club are appreciative of the time they give each week and for the time taken to prepare of costumes and sets. The Drama Club would also like to thank the parents who generously provided their expert make up skills on the night.

Enjoy the photos!!!!

Swimming School Scheme
The School Swimming and Water Safety Program is a learn to swim program that develops water confidence and provides students with basic skills in water safety and survival. The Program provides opportunities for students in Years 2 to 6 to attend daily lessons over consecutive days. Next week the scheme will start. Students participating in the scheme have already received notes. I would like to thank our hardworking
P and C organisation who have generously covered the cost of the bus to and from the pool.

**Special Performance for Kinder**
Narrabri High School Year 11 Class is performing for Kindergarten students on Tuesday at 2:30pm. The students will be entertained and be able to hear classic kid’s songs such as Dr Knickerbocker, Mr Clickety Cane and songs by the Wiggles. The show involves lots of interaction with the students singing along, dancing and even getting to play some instruments with the ensemble.

Remembrance Day Service

On Wednesday I was privileged to attend our community Remembrance Day Service with our School Leaders and our class elected Student representatives.

Our School Captains Rachel Charles and Cooper Lawrence delivered a presentation to the gathering and reflected on Remembrance Day and its ongoing importance to us.

All the students were wonderful ambassadors for our school.

At our Remembrance Day Assembly Ethan, Billie and Savannah were some of the students who spoke about the meaning of Remembrance Day.
