This week at NPS there are a number of significant events that acknowledge the success of our students and allow us to celebrate as a school. Both Presentation Day and Night provide a platform for the achievements of our students, being recognised from Kindergarten through to Year 6. The celebrations continue for our students with Bronzie, Silver and Gold Badge functions taking place this week. These occasions allow the students to be congratulated for their hard work and contribution to our school.

Carols by Candlelight
Our school choir performed at this event and sang magnificently. They performed the carol “The Cat and the Mouse” and entertained the Narrabri community.

Science Fair
Mrs Jenny Campbell is hosting a Science Fair for our students in the hall next Monday. This is an opportunity for students to engage with science in a practical and hands on way. Each year group has been allocated a time to attend. Our last week of school continues to have exciting events scheduled for the students.

Year 6 Farewell
A dedicated group of Year 5 parents have been busy preparing for this special occasion. Our Year 6 will be treated to a special dinner, hosted by our Year 5 students. We will reflect on Year 6 and share a few tales on what they have encountered at school.
Band Link
A number of our students attended Band Link last week. Band Link is organised by the Department of Education and provides for our students the chance to work with other young musicians. During the course of the day they receive specific tuition and at the conclusion of the days they perform for an audience. Our Year 6 students and teachers were invited to attend this performance and were impressed.

Canteen News
Don’t forget SRC Fun Day Meal deals need to ordered by this Friday, 11th December
We have a gluten free option so make sure you write that on the form when you ordering.

We will need lots of help for lunch on the SRC Fun Day, Tuesday 15th December. So if you can spare some time at all that day we would love to see you.

Nikki and I have had a great year at NPS Canteen. We have met some lovely people and made some new friends. We thank each and every one of you for your time and effort. You have all been very greatly appreciated.

We are really letting things wind down now so to ensure all children get lunch orders next week, we will not be putting the order box out on the counter. This is so we can check that we have their order in stock or can offer an alternative. Your children may need a little patience at canteen this week.
