Movie Day for Stage 2 and 3

Tuesday, 15th December
SRC Fun Day
Infants Disco
P&C Uniform Shop open 2.45-3.30 pm

Wednesday, 16th December
Last day of school for students
Year 6 goodbyes at 3pm

2016 Term 1
School resumes on the Thursday, 4th February for students in Year 1-6 and Kindergarten start on Monday, 8th February.

What an amazing year we have enjoyed at NPS. In the last week we have reflected on the many achievements of both our students and school and we certainly have had a lot to celebrate.

The celebrations continued with our Bronzie party, Silver Badge and Gold badge ceremonies last week. The students are to be commended on their level of achievement and for their commitment to embracing our core value. We are proud of your achievements.

Our 2015 leaders fulfilled their leadership duties with confidence and style. They have grown in this role and their positive attitude to undertaking the many tasks and activities has been outstanding. Last week they presented their final Max FM report and obviously had fun doing this.

Last week all our students took home their Semester 2 reports to share with their families. Each student’s report reflected on the learning that has taken place over this time period.
Our Year 6 Farewell reflected on the student’s time at Narrabri Public School and during the evening there were stories that told of the journey from Kindergarten to Year 6. The guitar group and Aaron Johnson entertained us with their performance of “Photograph”. We really do have talented students.

Our hardworking Year 5 parents made sure the hall looked spectacular and worked hard to provide a lovely meal for all students and staff. Thank you

It is with sadness that we farewell this group of students who have not only been wonderful ambassadors for Narrabri Public School but also for themselves.

The Gamilaroi dances group performance was coordinated by Jason Brown and Pattie Lettice. I would like to thank both Pattie and Jason for their commitment to sharing with us such an impressive cultural performance.

Congratulations Georgia
Last Monday Georgia competed at the Nationals. This is an amazing effort from a dedicated athlete. Georgia came 15th in the competition and competed against athletes from all over Australia. We are immensely proud of her determination and her dedication to her sport. Well done!

The last athlete from NNPS who competed at this level was Krissy Penberthy.
Can you help solve the mystery?
There is a time capsule that we believe was buried for the Bicentenary celebrations in 1988. We have been unable to find where the capsule is located and I am sure that there is someone out there who may recall being part of the celebration. If you are able to assist please contact the school and let us know. Very shortly we will say goodbye to our Old Administration Building and would like to know if possible where it is located.

I would like to extend to our parents, students and staff my thanks for making this year such a positive and supportive one for our school. It has been a pleasure to work with you and I will look forward to catching up in 2016 and continuing our focus on educational outcomes for our students.

SRC End of Year

Raffles
On Wednesday, 16th December at 2:30pm all students will assemble under the Primary COLA for the annual SRC Raffles. This year, the names of students who have demonstrated our core value respect, will be drawn from the PBL box. The lucky students who have their name drawn will have a selection of prizes to choose from. The prizes available have been supplied by the SRC using funds that have been raised over the past year. Everyone is welcome to come along for the fun and end the year on a high. The SRC would like to take this opportunity to thank everyone who has shown their support with their ventures throughout the year. We hope to see you there!

Canteen news
Nikki and I would like to wish everyone a Happy Christmas and New Year Holiday Season. Stay safe and we look forward to seeing everyone in 2016. Canteen has a double milkshake maker and a till that are excess to requirements. Come and see us if you are interested.

Any outstanding money needs to be paid NOW!!!

It is SRC Fund Day tomorrow. Thank you in advance to everyone who is giving us some time tomorrow. We really appreciate you.

Kim Owens - Supervisor
Nikki Finn - Assistant

SRC Fun Day 2015

TOMORROW

Tomorrow (Tuesday 15th December) is the SRC Fun Day! Every child in the school has been allocated four activities to participate in for the day. All students will need to line up in their class lines under their respective COLAS when the end of play bell rings in the morning.

From here, teachers will read their list of children participating in that activity for the hour. A bell will indicate the end of each activity and everyone will assemble in their class lines under their respective Colas again ready for the next activity to commence.

Remember:

❖ Pack your lunch if you did not order a meal deal from the canteen.
❖ Hats are essential.
❖ Covered in shoes is a must.
❖ Water bottle to hydrate yourself throughout the day as the weather will be hot.
❖ Sunscreen.
❖ Towel (if one of you preferences was a water activity).

It is a mufti day but keep in mind the activities you may be completing. A suggestion would be quick-dry clothes such as boardies, particularly if one of your preferences involves water. NO singlets tops please as your shoulders must be covered.

The SRC are looking forward to seeing you tomorrow ready for a fun-filled day.
