Last Friday I attended the trials for our school cricket team. I was so impressed with the depth of talent and determination shown by all the boys. Mr Nipperess is coaching the team and I will assist him. Our first game will be against Wee Waa Public School on the 12th March. Playing sport at any level is a great way of keeping fit and meeting new people. Being part of a team is a very rewarding experience and assists in preparing children to meet life challenges.

Also last Friday four of our students attended the PSSA Zone Tennis Trials and as a result of this competition Samuel Soper & Shona McFarland were selected to attend the North West Trials on Monday, 9th March in Tamworth.

As you may be aware our School Office is now located in Doyle Street. Please make all your enquiries at this location as the old administration building is now locked and not in use. We apologies for any inconvenience this may cause families.

At Narrabri Public School we encourage communication between parents and teachers as we view education as a shared experience. It is very important not to disturb a teacher while they are on class. If you would like to speak to a teacher, please contact the office to arrange a suitable time.

Last Friday all our students and staff participated in the annual Clean Up Australia Day program. I would like to congratulate all the students for their efforts and acknowledge Mrs Marion Tame for organising the event.

We are indeed fortunate to have a well known narrator of audio books for children and young adults visiting our school tomorrow. Stig Wemyss is on a Central Northern NSW Library tour and will be speaking to stages 2 & 3 in our school hall between 12 and 1pm. His shows are widely entertaining, cleverly irreverent and full of fun. In his performance Stig encourages a love of reading, books and libraries.

We hope you enjoy the newsletter.
