What an industrious lot of students we have in our classrooms. On visiting a number of classrooms this week I found that my visit ended up being longer than I intended. The students wanted to share the learning they were undertaking and each person made a point of telling me specific features that they had included in their work or why they were undertaking a particular activity.

It was obvious from the diverse range of work in the classrooms that students were encouraged to do their best and were able to participate in a series of sequenced activities that were building their understanding of syllabus outcomes and curriculum content.

During the course of my visits, I was able to witness explicit teaching of key concepts with opportunities for students to develop and practise a particular skill in a supportive learning environment. I will look forward to my next visits.

**Visiting Performance**

This week on Tuesday there is an opportunity for students to view a performance on Bullying. A note went home last week outlining the performance content and cost. The performance provides students with an outline of how to stop bullying without becoming a bully.

**Congratulations**

This week Angus Gourley and Joc Ford are representatives at the State Rugby League in Tamworth. Brinez Lantz and Angus Gourley have also been selected to represent at the state carnival for Rugby Union.

Well done to all boys on their achievement.

Netball News

PSSA Netball Knockout

Last Monday the 25th May we travelled to Wee Waa to play Round 3 of the PSSA Netball Knockout. The girls played a solid game, never giving up and playing the best they could. When the fourth quarter finished the score was even! Unfortunately we went down by four goals in extra time, but the girls should be very proud of the way they played. Thank you to all those parents and grandparents that transported the girls to and from Wee Waa.

To celebrate our short but definitely fun school season of netball, we had one last training session with lots of games and party food. I wish all the girls the very best with their netball careers and thank them for being dedicated players!

Congratulations to last week’s PBL winners!

LOCAL CHILDREN REPRESENT NARRABRI ZONE PSSA AT TOUCH

Two teams travelled to Armidale last week to represent Narrabri Zone at the North West PSSA Touch Football trials. After earlier selection into the teams from a strong field of contenders, the girls’ and boys’ teams were selected. The children selected represented three schools – Narrabri Public, Narrabri West Public and Bellata. Congratulations also to the Wee Waa girls who were selected but were unable to make it due to school sport commitments.

Both the girls and boys teams had an enjoyable and successful morning, winning the majority of their games. As the games progressed they improved as they worked together as a team. After four games each in a round robin names were announced for possibles/probables to represent in the North West team at State. Although they played terrifically, we had no students selected for the North West team. The students achieved great results considering there were over 80 students in each section, from all over the North West region, for 10 places on each team. However two Narrabri West girls, Amelia Beer and Alex Hall, made possibles/probables and are to be congratulated for this.

Thankyou to Mrs Smith, from Narrabri West Public School, and Ms. Wardle, from Narrabri Public School, for travelling with the teams and officiating. Thankyou also, to the many parents who once again travelled with their children to represent our zone.

Boys team:
Back : Mrs Jocelyn Smith, Jock Ford (Narrabri), Dylan Hazlett (Narrabri West), Brinez Lantz (Narrabri), Campbell Hancock (Narrabri)
Front : Tyler Cowell (Narrabri), Angus Gourley (Narrabri), Alistair Gourley (Narrabri), Mackenzie Kerr (Narrabri West), Alex Dean (Narrabri West)
