Throughout the semester, class teachers undertake regular assessment to collect information about student’s progress in meeting syllabus outcomes. The information gathered allows teachers to plan teaching and learning experiences that will enable students to continue on their learning journey. Teachers are very much aware that one size does not fit all and there is a need to provide adjustments to the curriculum to ensure that all students are able to achieve and have success with their learning.

Next week every student will receive a semester report that will provide information on a student’s learning in each Key Learning Area (KLA). Kindergarten reports provide to parents and carers an understanding of the achievements thus far. Years 1 to 6 reports have an achievement scale that is used for reporting progress in KLA areas.

As you read through your child’s report, I would encourage you to celebrate the successes they have achieved during the semester. I have spent time reading all reports and in each report I was able to find and identify the achievements that each student had made. Sometimes it was academically and sometimes it was in their personal growth.

During the term many parents have had discussions with their child’s class teacher, however there are opportunities to talk with teachers during the last week of school, if you wish to do so.

Narrabri Library will be closed from Friday 12th June at 2pm and will reopen on Monday 15th at 3pm, as we are undergoing renovations on our workbench.
Off to Singapore
How Exciting! Two of our Year 6 student Shona and Ewan McFarland flew to Singapore last weekend to compete at the Singapore and Southeast Pipe Band Championships with the Hawkesbury Nepean Valley Pipe Band. This band is based in Sydney and is the current “Australian and South Pacific/ National” champions in Grade 4. Ewan and Shona both played with the band in Ballarat, Victoria last Easter when they won this title and the band was subsequently upgraded to Grade 3. This was a fabulous experience for these two musicians and their mum Sally.

LOST Sunglasses  Danielle has lost her VERY SPECIAL sunglasses. If you have seen a pair of polarised, brown sunglasses with mirrors on the outside can you please hand in to the front office or to Danielle in 6A.

PBL news
The students have been displaying respect in a variety of ways throughout their days at school. The rewards every Monday afternoon are a great way to show the children that respectful behaviour is very important and it is valued at our school. The PBL team have created a short list for the art competition entries and the students will be voting on the winners in the near future. Miss Wardle has done a wonderful job organising the primary art competition. The winners will have their art work featured in the girls and boys toilets and a mural size painting of their art will be created. The winners will have the core values within their art work. The staff are now focusing on respectful behaviour in the transition time between play and lining up after recess and lunch each day. This can be a difficult time for students as they need to focus on finishing games, packing up and walking safely to lines. If we all respectfully pack up together and complete games when the bell rings, the transition from playing to lining up will run smoothly.

PSSA Softball Knockout – Girls

Last Thursday the 28th of May the Narrabri Public School Girls Softball team walked to Number 3 oval to play Narrabri West Public School in the Softball Knockout. The girls played remarkably well together, with Shona McFarland as catcher and Georgie Milsom and Lucy Gordon sharing the pitching position. The girls played and fought hard the whole game, however they were unfortunately defeated by the West.

All the girls should be commended, as their skills have dramatically improved from the very first training session at the beginning of Term 2. They were committed to training and represented the school with outstanding sportsmanship. Great work girls!
