Parent Teacher Open Classrooms
The teachers are looking forward to the opportunity to share with you information on what is happening in your child’s stage and classroom. Teachers will share information on the social and academic opportunities that are planned. Our partnerships with parents continue to support the educational journey for our students and Wednesday Night is a chance to build the partnership.
Please come along and join us for a sausage sizzle after or during the sessions.
Session 1: 6pm
Session 2: 6:30 pm

Afterwards you are invited to come along to our first Night Branch P and C Meeting starting at 7pm. We are looking forward to meeting new parents and hope you will take this opportunity to join us in the Library.

Sunshine and water!!! What a terrific combination for a swimming carnival. Very eager and brightly clothed students enjoyed a successful day at the pool. The loud cheering and war cries are still ringing in my ears and the House Captains did a great job of inspiring their teams to encourage and support each other.
Students were able to participate and compete for their house and should be congratulated for having a go and giving their best effort.
Our Champion House on the day was Nandewar and the Effort Trophy went to Barwan. All results are attached.

Merit Cards
Our Merit card system is a two way form of communication between home and school. Teachers and parents can make comments where necessary. It is a method of sharing information on student work habits, academic achievements and behaviour.
Merit cards will go home at the end of the week on Friday. There will be times such as last week where the primary students were at the swimming carnival. In this situation they will go home on Monday and again on Friday.

Mobile App
Narrabri Public has a mobile phone application that sits on your phone giving instant access to our school information. This allows parents to send in a sick note at their convenience. It is our goal to have all school notes, class newsletters and whole school information and activities put on-line this year for you to access in
case the paper copy is misplaced or just doesn’t make it home!
It is available for free from both iTunes and the Google Apps Store by searching for “Narrabri Public School.”

Positive Behaviour for Learning
Positive Behaviour for Learning is an evidence-based whole school process to improve learning outcomes for all students.
Students are explicitly taught what is expected of them in the school environment. The whole school community is using the same shared language and working together with a consistent message to ensure students feel safe and cared for.
Our Core Values of RESPECT, RESPONSIBILITY, RESILIENCE, ACHIEVEMENT and INCLUSION are shared and taught. Students are acknowledged for displaying them with a thumbs up stamp.

Enjoy your week.
Marion Tame

Thanks again this year to the Narrabri Lioness Club for donating beautiful Library Bags for our Kindergarten Students. This year our very own Melissa Hancock was able to distribute these on behalf of the Lioness Club.

Canteen news
Annual General Meeting
The Canteen Committee AGM will be held next Tuesday, 23rd February at 2pm at the Canteen
If you have ideas about how things should be done, foods you would like to see offered on the menu or thoughts about anything to do with canteen
We need you.
As several of our current committee, now, no longer have children at NPS we need to look at replacing this number with some new people. So come along and help us to provide a terrific service for the children.

Thank you to the new mums and grandmas who have expressed an interest in helping this year. We do not make assumptions about when you are available, we have a planner on the wall in canteen and when you get your diaries organized we would love for you to come and write yourself in.

Don’t think you have to do a whole day. We will welcome you whatever time you can spare. An hour or two can be really helpful to Nikki and I. We were helped by a wonderful new mum on Thursday – thank you so much.

Monday, 22nd February

Cathy Coleman

We cannot alter the menu until we have a new committee to confirm it, so until then we have some copies of the 2015 menu available at canteen. If you need one come and pick one up.

Thank you Kim Owens – Supervisor
Nikki Finn – Assistant
